Conference Call w/Dale Dennis, Longevity District Planning

Dale Dennis and Craig Neusenwander explained the process of several options relating to consolidation or dissolution of a district. State statutes 72-634-638 explain the processes of these options. If our enrollment remains stable, next years estimates would be a decrease of \$75,000 to the general fund and \$37,000 to the LOB, these do not include any weightings that might be affected, so potential loss could be \$125,000. The Board is considering reduction to one administrator, one teacher for 6-12 core subject areas and would like information on the cost of the CTE programs.
